over on the Leviathan.

I was assistant Mess Officer
to feed 12000 men a day
coming over. It kept me
busy.

No one knows yet
whether we parade or
not. I feel sure the regt
will parade in ~~Washington~~
Chicago. We are in fine
spirits.

Kelly was expecting his
girl to meet him here and

she did not. She is working
for the ~~good~~ government in
Washington. He has a call
in for her now. We have
had a fine time to-gether this
afternoon walking up
5th Ave.

Took a good look
at the Victory Arch. It is
a splendid commemoration
to the A.E.F. Not much of
a welcome for us here
but we hear good reports
from Chicago.

We went through
another sanitary house plant

early this morn. We hope
it is the last for the men
have been through a dozen
in the last two months and
it has been a month since
we have seen a "cooty."

I am glad to get back
to the U. S. again. It ^{seems} like
I am in a trance. Mother
it will only be a very few
days until I will be home
again. It is a pleasure
that I have long wanted
to come.

Bushels of love.
